

Mirror mirror

Mirror mirror

Mirror mirror on the wall,

Who is the fairest of them all?

The reflection is less than original,

a polished mirror is fair material.

The one that hides behind the mirror,

is the fairest of all.

I see the man, but forget the magic woman.

You see the wo-man, but forget the magic man.

The one that hides behind the mirror,

is the fairest of all.

I view the wo-man, but forget the magic child.

You view the man, but forget the magic child.

The one that hides behind the mirror,

is the fairest of all.

Each picture a multitude of reflections,

some visible, but most invisible.

When you ask anything,

this is your shortage.

When you wish for anything,

this is your shortage.

Show me my shortages,

mirror, mirror on the wall;

so I can understand my distance

and see my lack of under-standing love.

The world is my mirror,

I am only my polisher here.

Forgive me my loves,

I cannot get closer,

but surrender to Your

unseen beauty.

Let's reverse conversation,

You bring me your shadow,

I will practice your light.

In darkness and stony destruction,

there always is a light hidden,

let me learn from you.
